| Door opening light                             | Yes         |

#### **Product highlights**

**Dual cleaning function: pyrolysis and hydrolysis** In terms of cleaning, this oven is equipped with dual pyrolysis and hydrolysis cleaning function. Hydrolysis allows regular, economical and ecological cleaning on very high quality pyrolytic enamel. Pyrolysis allows for deep cleaning.

**Steaming poultry/fish/white meat** Steaming allows you to cook your food at a lower temperature, thus preserving its nutrients and your health, while making your food even crispier.
