

Hisense BI62211CX oven 77 L 2500 W Stainless steel

Brand : Hisense

Product code: BI62211CX

Product name : BI62211CX

Hisense BI62211CX

[Hisense BI62211CX oven 77 L 2500 W Stainless steel:](#)

Prepare delicious dinners with this Hisense electric single oven. Its large 77 litre capacity provides enough space for a few different dishes at once, and because it's multifunctional you can grill halloumi for a starter, roast meat for the main or bake a tasty roulade for dessert. It also has a special Even Bake design, meaning heat can move around freely, delivering perfect cooking results every time. Now you can enjoy your homemade pizza whenever. Maximum temperature of 300 degree and excellent heat distribution allow that pizza is baked in a very short time tasting just as delicious it would in any Italian restaurant. And when everything is finished, the catalytic liners will absorb any leftover grease, so all you need to do is give it a quick wipe.

Oven		Design
