

WMI14C7-2

Fully Integrated Washing Machine
Energy Efficiency Class A++ B

EAN13: 8017709229559

- Electronic display panel includes 24h delay
- Buttons/Options: Delay timer/Prewash/Additional rinse/No spin/Rinse hold/Anti-wrinkle (easy ironing)/Intensive
- Door opening release
- Electronic display shows programme selected and progression
- 15 washing programmes including; Special programmes; Wool, Mix, Quick 30 min, Sport.
- Customised options: variable temperature, spins speed, and option selector
- Variable spin speed up to 1400rpm
- Max washing capacity: 7Kg dry laundry
- Extra large 300mm porthole
- Automatic variable load
- Child lock (programme lock)

Consumption: (220 cycles)

- Water: 10340 litres/per annum
- Energy: 193kWh/per annum
- Noise level washing phase: 56 dB (A) 1 re pW
- Noise level spinning phase: 72 dB (A) 1 re pW
- Energy efficiency class: A++
- Washing efficiency class: A
- Spin drying performance: B

Functions

Wool:

this programme for wool or delicate fabrics uses slower rotations of the drum to ensure the utmost care for clothing.

Mixed fabrics:

this cycle is designed for lightly soiled laundry in a mix of cottons and synthetics, or can be used just to refresh stored items.

Gym:

a cycle designed for washing lightly soiled garments, ie sports wear, this is a fast wash which is also kind to fabrics.

Pre-wash:

Prewash adds a stage before the main wash, useful for washing heavily soiled garments

Extra rinse:

The extra rinse option can be added to the selected programme when more thorough cleansing of fabrics is needed.

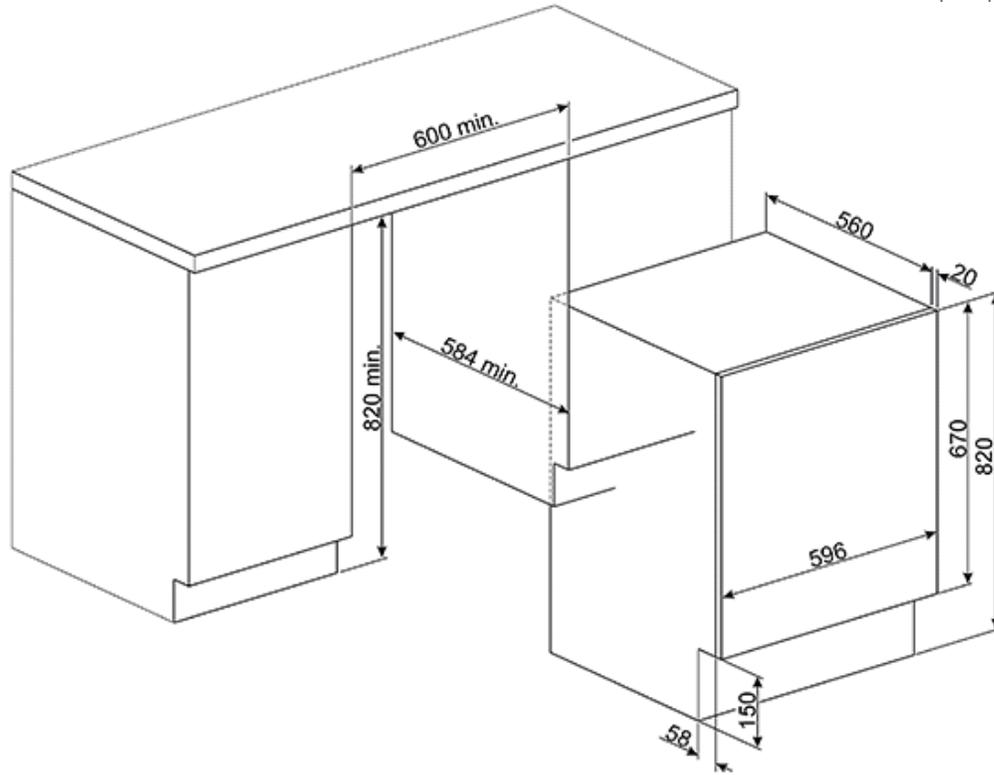

Easy Iron:

this is an option which can be selected to ensure the finished laundry is left with less creases to make ironing easier.
